

REMARKS

Applicants thank Examiner Cole for the courtesies extended during the May 11, 2011 interview. Applicants appreciate her attention to the file and input. Currently, claims 1-7, 9-14, 16-21, 23, 25-53, and 55-67 are pending. This includes independent claim 1, 33 and 52.

During the interview, the parties discussed amending the independent claims and specification to overcome the pending rejections pursuant to 35 U.S.C. § 112, as well as the objections directed to the drawings. The independent claims and specification have been amended accordingly. Thus, the parties believe the claims to be in condition for allowance with the understanding Examiner Cole will conduct a final review of the case and contact Applicants with any follow-up items.

With the present Amendment, Applicants respectfully submit that all pending claims are allowable, and that the application is in condition for allowance. Favorable action thereon is respectfully requested. Examiner Cole is encouraged to contact the undersigned at her convenience should she have any questions regarding this matter or require any additional information.

Please charge any additional fees required by this Amendment to Deposit Account No. 04-1403.
